### **A Personal Wedding Consultant For Your Wedding –**

*The Liaskos Family, proprietors since 1978, will help you with any questions or concerns you might have during any part of the planning process. Whether it be suggesting outside vendors and professional service providers or helping with seating arrangements, we are here to help you from the day you book with us until your wedding day when we will also be here to oversee the entire event.*

### **A Wedding Customized to You –**

*Our goal is to create a memorable wedding day that is a reflection of everything that makes you and your fiancé the special couple that you are. We will work with you to bring your personalities into the planning process and will never create a "cookie-cutter" wedding.*

### **Top Quality Cuisine –**

*Your guests are guaranteed to leave your wedding raving about not only the QUALITY of food, but the QUANTITY as well. Formally trained at the Culinary Institute of America, our Executive Chef, Evan Liaskos, oversees all of the menus to ensure your guests total satisfaction.*

### **The Cortlandt Colonial Service Standard –**

*Our uniformed servers, bartenders, busboys, and bar assistants are thoroughly trained in-house and are not temporary help or part of any outside staffing agency. Your guests will experience a higher level of service than they are accustomed to thanks to these knowledgeable service staff members. Also included as part of your service package is a bridal attendant and one of the establishment's proprietors as your Maitre'd, overseeing every detail of your special day.*
